

## In The Garden Of Today

Many times we find ourselves saying, If we was there in the Garden of Eden we would not have done as the first couple had done, But there is something that we must understand. See we are all like Adam and Eve in the Garden, there we are in the presence of God, which is Grace, the Garden is this world, Calvary was before the World ever was. We hear the serpent say unto us, partake of this Tree (The Cross) and you shall be like God and know Good and Evil, so you get the Bible (a book made of paper from TREES) and the Old Test. with its Law, reveals to you your Sin (knowledge of Evil, and the New Test. with its Grace reveals to you the Good, and you partake of this Tree of Knowledge, and you find a way that you thought was unto Life was really unto Death, and you hear the serpent say to you, You must Die! The Serpent on the Tree, The Image of the Beast, there on the Cross made from a Tree and it says, Take up your Cross and die like I did, and you think, Man I thought this was a way to Life and now you have deceived me into this road to death!

The Law comes and begins condemning you because you do not live accordingly as it has commanded you too, in other words, you are disobeying the commandments of God, Just like Adam and Eve when God said, Do Not Eat of the Tree, in the day you eat from it, YOU shall surely Die! Once you partake of that Tree of The Law of Knowledge then are you guilty of not keeping all the commandments, for the man that does them shall live in them and the Bible says if you break one of them you are guilty of breaking them all.

So the curse of the Law comes and the accuser of the brethren and like Paul said, I was alive (In the Presence of God) (Just like Adam and Eve were) before the Law came (Before I partook of the Tree of Knowledge) and Sin revived (The Law magnified and revealed my sinful nature) and I died (Condemnation killed my Faith, and my faith was my lifeline to God and was what kept me in His presence because I was like an innocent child, just like Adam and Eve)! A flaming Cherub who walked among the Stones of Fire cast me out of Heaven (Gods Presence) and I fell as to my Faith fell from Grace by heavy condemnation and cast me down to this World, Not this planet, but the World that God has placed in your heart, the heart is where you think at, for as you think in your heart so you are and if the World is in my heart then it is but one thing, a State of Mind that I have fallen to.

I have been cast out of The Garden and now the Law, The Cherubim who wields that flaming sword of the Word of The Law and uses its power to condemn me, keeps me from entering back into the presence of God which is the real Garden as we say His Grace. So We are cast out of the Garden of God, just like Adam and Eve and we now dwell among the beast, which means This Fleshly Body of ours, which is the great Leviathan that wrapped its tail, (Israel was made the Tail because of disobedience

which means the Body) around my Star which means my Spirit, my innocent child like Faith and cast it by extreme condemnation to this World this Mind of unbelief and holds it in captivity through the works and deeds and curse of the Law. This means it shall die! Because of the deception and deceiving of this Serpent, God has placed it on its Belly and all of its labour is for its belly and of the dust does it eat, in that we have to live by that which grows from the dust and dirt of the Earth to have life.

Our tongue is a sharp forked tongue that speaks life and death and is a god of this world that knows Good and Evil which no other beast or creature of the Earth knows, only the beast that was more subtle than all the others, the beast that the whole world wanders after, the one that still deceives to this day, the real Serpent in the Garden, Your Flesh, Leviathan, the piercing serpent whose arrow pierces your soul with condemnation. We reproduce our serpent seed just like the animals do, in a beastly fashion of fire and passion, so animalistic that it drives people slap insane and twist their minds and nations and kingdoms have gone to war and killed and maimed and raped because of this sexual passion and jealousy of their species! Yet Mary conceived not by passion of the serpent lineage, but she did something so very different, she conceived of a Child by Faith, a Faith that purified her Heart and bypassed her fleshly passions and inspired divine holy Godly Love within her and this Faith caused the proper bodily organs to work and the Life and Seed of God which was His own Spirit of Love entered the blood cell of this Virgin and created a new birth, a new inspiration, a new life, a new form of reproduction, a divine conception took place and Our Lord Jesus Christ was birthed into this world as a Savior for fallen humanity.

He was not of that serpent seed blood line of the inspiration and passion of Satan, but the Holy Inspiration of God, Satan himself had to confess, I have no part in Him. He who knew no sin took our own fleshly serpent carnal mind and crucified it upon the tree and fulfilled the Word of God that spoke to us and said, The Day you eat thereof you shall surely die! Jesus Christ fulfilled this commandment on our behalf, not for Himself, for He was without Sin.

So He broke our appointment with Death and brought us back into the presence of God by Grace, but this time we are not in the presence of God as to the sunlight shining upon us, we are born of that Light itself, We are one with that presence and it not dwells inside of our bosom, our heart, our State of Mind is now changed. Jesus became our sinful, carnal, unbelieving self that we had fallen too and by Love, Faith and Grace has delivered us back up into the Garden of God, pass the accuser of the brethren for Christ is the END of the LAW for all that believe! He was the only one who was worthy to open the scrolls to walk past the flaming cherubim and kick that cherubim out of heaven and he become the Cherubim of Love and Grace and He threw away that flaming sword and said A Door has been opened in Heaven and I am that door, if you can trust in me and believe upon me and sincerely from your heart accept my Works on your behalf and come through the veil of my flesh which was rent

for your sake, then you will see I am now the only WAY, Truth, and Life back to Heaven, back to The real Garden where your Father awaits, I am the only way back to God, back to Faith, for No one comes to The Father but by me!

Why you ask, because I was the one that did what was needed to redeem you and save you from yourself and from your sins. I was the one who took your punishment that was required of God that you die out of his presence and be sent to Hell, I met that requirement on your behalf and for you I did this! You needed a Saviour, you was lost and undone by the fall and I came to seek and save that which was Lost, which was You, you was one time in heaven, but you was cast out by the accusing Law of Knowledge that condemned your Faith and killed your Faith and as Paul said, You died! Your Soul which is your Faith died by sin which is unbelief which is disobedience to God in that He requires Faith.

I became your sinful state of being that you fell too and I gave you my Life, my Righteousness, My Faith, My Spirit, my favour of my Father and I changed places with you and made a way for you to enter back into glory, back into Heaven to never ever depart again! I am the second man Adam, The Lord of Glory, I did all this for you and now that you are safely back home to never depart and you have now become me as the loving Son of My Father, I have become your sinful evil depraved self and I perish in these Flames of your flesh as Satan a Fire of Perversion burns me with his passions and filth and whips my back with the stripes that was meant for you and I suffer for just a drop of water from your fingertips on my tongue. Now will you do the same for me? Take up your cross and be the Christ I made you too be in my stead and become the Jesus for me and deliver this body, this flesh and change me from the image of the fallen Nebuchadnezzar of the beast back to the Lost Image of my Father and restore unto me the Joy I had before the Fall in the Garden.

I made you the God that forsook me on the Cross as you could not look upon me any more as Faith cannot see unbelief, for in real Faith there is no doubt so we had to depart and I became your flesh and I caused you to be translated back up into glory and I became your flesh that had fallen down to the sides of the Pit, bound in everlasting chains. Will you become my Saviour? Will you declare my Generation, Will come and change this Body from the Vile Affections and comprehend bodily redemption and take me off the Cross that I might appear in Glory with you and rend the heavens to appear before all men and manifest myself with you and allow me to be the firstborn from the dead, the first body to be resurrected, the first begotten from the dead, the elder brother and as a Bride adorned for her husband lets become one again. Take up your cross so that I can come off of mine! I love You, Jesus
